

*I must not make political art
I must not make political art
I must not make political art
I must not make political art
I must not make political art
I must not make political art
I must not make political art
I must not make political art
I must not make political art
I must not make political art
I must not make political art
I must not make political art
I must not make political art
I must not make political art
I must not make political art*

You are a corrupt fuck!
